

PRODUCT / PROCESS CHANGE NOTIFICATION

Notification Date:

Projected Completion Date:

PCN Number : **10144**

Product Identification (Including Customer P/N):

K160x including T & TE, MTXO, and MTXV

Detailed Description of Changes:

Above product families are being taken to End Of Life (EOL). They will be replaced by M6049 and M6050 product families.

Reason for Changes:

Replace older, internal component technology and to improve manufacturability/customer service.

Projected Timing of Change and Implementation Date:

All new customer designs will be transitioned immediately. Older customer approvals will be transitioned as quickly as possible in accordance with customer approval of the change.

Anticipated Impact on Quality and Reliability:

We expect improvement in quality and reliability due to reduced component count and increase in product capability.

Qualification Plan (if applicable):

The new product will be fully tested in accordance with MtronPTI new product qualification testing. The results of this testing will be made available to customers upon request.
